

Best Practices **FOR OUR GOLFERS**

The safety of the staff and patrons is the highest priority during this time. Below are some practices on how to reduce the spread of the COVID 19 virus, we appreciate your cooperation to help make our facility as safe as possible for all:

- If you feel ill please do not use the facility
- Please observe the 6-foot tape spacing on the floor in front of the counter when checking in with shop staff
- No ball washers are available on the course
- No watercoolers are available on the course
- No bunker rakes are available on the course – Please use a club or your foot to help level the bunker
- Putt with the flagstick in place to reduce touchpoints
- Do not share clubs
- All carts are properly sanitized after each rental and the one player per cart option is available upon request at no extra charge.
- No personal contact such as handshaking, fist bumping, elbow touching, etc.
- Driving range balls and equipment are sanitized after each use-please observe the 12-foot spacing of the stalls when using the range.
- Please observe the 6-foot spacing to be in compliance with Social Distancing requirements at all times, DO NOT congregate in groups.
- Wash or sanitize your hands often. Sanitizers are located around our facility as well as disinfecting soaps available in all restrooms.

THANK YOU FOR YOUR COOPERATION
